**Hobsons Brewery Over 45 Club Cup Competition 2016**

Dear Cricket Club,

Following the successful first year of the Over 45's Cup Competition in 2015, the competition will be run again in 2016. Hobsons Brewery are now the title sponsor of the company and further details of their support will be released in the New Year.

The aim and overarching statement of the competition is outlined below, but this competition is targeted to clubs who have older players, aged 45 and over, and wishing to play cricket in a fun and relaxed environment. The competition will run as a cup and plate (for losing teams from the first round) competition, starting in mid-June and finishing with the final in early September.

If your club is interested in joining the competition, but you don't feel you have enough players, then there is an option for two or more clubs to work together and create a 'cluster' club.

If you are interested in joining the competition, but would like more information, then please feel free to contact Andy Wheeler on the details below.

**Aim:**

To try and increase the opportunities for older players, who may be not playing anymore or contemplating retiring, Worcestershire Cricket and Seniors Association have created a cup competition to organise more fixtures for Over 45s.

**Overarching Statement:**

"The competition is designed to offer organised fixtures for clubs and 'cluster' clubs, so the intention is for captains to agree on formats on the day and for every club to promote enjoyment and involvement, rather than competition."
